About Camp K12: We've been teaching 21st century skills to kids since 2010

We were founded in 2010 by an MIT computer science grad as India's first coding bootcamp for K-12. Since then we've taught coding to 50,000+ students age 6 - 18, in school classrooms across South Asia and online.

PARTNERS AND COLLABORATORS THAT SHARE OUR COMMITMENT TO QUALITY
